Section II – Terms of Reference

Developing Financial Literary Outreach Curriculum and Training of Trainer’s (ToT) Manual to improve migrant workers financial planning and debt management towards financial resilience

1. Background

The economic shock of the COVID-19 pandemic has had a significant impact on migrant workers globally, particularly those employed in lower-wage sectors, who oftentimes found themselves in situations of heightened vulnerability and increasing indebtedness. The reliance on remittances as the main source of income to support families back home and for loans/debts repayment further pushes migrant workers in a more vulnerable position. Debt is prevalent throughout the migration journey and was found to contribute to negative social and psychosocial outcomes including coercion. Debt also increases financial insecurity, particularly for migrants with no access to formal credit markets and with limited pre-migration financial literacy and planning. Gender and power dynamics further contribute to potential vulnerabilities, whereby women and girls might be at increased risk of trafficking or labour exploitation for the repayment of households’ debt. Debt is also a prevalent indicator of forced labour, with as high as 20 per cent of people in forced labour experiencing debt bondage⁶. Further, lack of pre-migration financial planning also heightens migrant workers, and their families, continuous reliance on repeated migration due to lack of alternative incomes and savings to successfully return and reintegrate in communities of origin. For example, former domestic workers returning to domestic work in the country of origin may not be a viable option, most likely because of the low salary, limited information on labour market, as well as livelihood opportunities.

Through this TOR, the International Organization for Migration (IOM) aims to engage a consultant/service provider to develop a Financial Literary Outreach Curriculum and TOT Manual for the delivery of participatory community outreach to improve pre-migration financial planning and loan/debt management for migrant workers to strengthen their financial resilience. This is crucial as migration and migrant workers significantly contribute not only to the sustainable development of their countries of destination, but also in their countries of origin through the transfer of skills and financial resources, with as high as one in nine people around the world depending on remittances⁷. The Curriculum and TOT Manual will target IOM’s implementing partners, civil society partners, migrant/community leaders, and relevant local government counterparts so that they are better equipped to support migrant workers and promote safe, regular and orderly migration.

The Curriculum and ToT Manual will build on existing resources including [SaverAsia, A+B=3](#), resources from [UNCDF](#), [ILO](#), [Joint Migration and Development Initiative](#), among others, and consider standing limitations such as⁸:

- The assumption that the primary reason individuals end up in risky financial situations is their lack of knowledge. In other words, it is not altogether clear that simply

⁸ [Debt and the Migration Experience: Insights from South-East Asia | IOM Publications Platform](#)

knowing more about budgeting, saving, planning and borrowing is likely to lower rates of financial insecurity.

- Where the causes of over-indebtedness are structural, financial literacy may have limited impact.
- While financial literacy programmes are often effectively designed, they may be less effectively implemented especially when enacted in a single day, making it difficult to effectively impart information.
- Limited time before departure could be a challenge to engage and train migrant workers meaningfully.

This engagement is undertaken as part of the IOM [Corporate Responsibility in Eliminating Slavery and Trafficking \(CREST\)](#) programme, through which IOM works with a variety of stakeholders to uphold the human and labour rights of migrant workers in key sectors and migration corridors.

3. Objective

The overall objective of the consultancy is to develop a financial literacy outreach curriculum and a Training of Trainer (ToT) package, informed by gender vulnerabilities and the needs of migrant workers in the COVID-19 recovery. Taking the above limitations in to consideration, the outreach curriculum and TOT package will be designed in a way that ensure local community participation and understanding of the subject, through a longer-term engagement with migrant workers, their families, and local communities, rather than a one-off training session. With an increase in knowledge, the project aims to contribute to changes in attitude and practices on how workers finance their migration.

The ToT will be in person to IOM's implementing partners, civil society partners, migrant/community leaders and relevant local government stakeholders across Asia. The ultimate targets, to be reached through cascade outreach, are aspirant migrants, migrants, returnees, migrants' families and communities. The material developed will contribute to IOM and partners' safe migration outreach and financial awareness/educational programme, in both countries of origin and destination, through collaboration with local governments, civil society networks, migrant resource centres, local communities, and the private sector.

4. Scope of Assignment

The selected consultant/service provider is expected to be home based; however, required to travel to deliver two in person TOTs (location tbc). Specifically, the selected consultant/service provider will undertake the following tasks:

1. Conduct desk review of IOM and external materials, including IOM's Financial Literacy and Remittance Management modules (to be shared offline); [SaverAsia](#); [A+B=3](#); [E-learning modules to address the financial literacy gap for small and micro-businesses](#); ILO's [Rural-Relevant Tools](#) and [E-learning on Financial education](#); [Joint Migration and Development Initiative](#), among others.
2. Convene consultations with IOM and other partners including civil society and relevant government stakeholders to understand the informational gaps and needs of migrant workers (aspirant migrants, returnees, migrants' families) on existing financial literacy materials as well as recommended delivery modalities.

3. Based on points (1) and (2), develop outlines of a.) a Financial Literacy outreach curriculum and b.) ToT Manual for delivery of the outreach curriculum.

- (i) It shall respect the legal status, privileges and immunities of IOM as an intergovernmental organization, such as inviolability of documents and archive wherever it is located, exemption from taxation, immunity from legal

process or national jurisdiction. In the event that the Service Provider becomes aware of any situation where IOM's legal status, privileges or immunities are not fully respected, it shall immediately inform IOM;

The Service Provider shall ensure that this requirement is included in all subcontracts.

4.2 The Service Provider warrants that it shall abide by the highest ethical standards in the performance of this Agreement, which includes not engaging in any fraudulent, corrupt, discriminatory or exploitative practice or practice inconsistent with the rights set forth in the Convention on the Rights of the Child. The Service Provider shall immediately inform IOM of any suspicion that the following practice may have occurred or exist:

- (a) a corrupt practice, defined as the offering, giving, receiving or soliciting, directly or indirectly, of anything of value to influence the action of IOM in the procurement process or in contract execution;
- (b) a fraudulent practice, defined as any act or omission, including a misrepresentation or concealment, that knowingly or recklessly misleads, or attempts to mislead, IOM in the procurement process or the execution of a contract, to obtain a financial gain or other benefit or to avoid an obligation or in such a way as to cause a detriment to IOM;

- (e) an obstructive practice, defined as (i) deliberately destroying, falsifying, altering or concealing of evidence material to IOM investigations, or making false statements to IOM investigators in order to materially impede a duly authorized investigation into allegations of fraudulent, corrupt, collusive, coercive or unethical practices; and/or threatening, harassing or intimidating any party to prevent it from disclosing its knowledge of matters relevant to the investigation or from pursuing the investigation; or (ii) acts intended to

materially impede the exercise of IOM's contractual rights of access to information;

- (f) any other unethical practice contrary to the principles of efficiency and economy, equal opportunity and open competition, transparency in the process and adequate documentation, highest ethical standards in all procurement activities.

4.3 The Service Provider further warrants that it shall:

- a) Take all appropriate measures to prohibit and prevent actual, attempted and threatened sexual exploitation and abuse ("SEA") by its employees or any other persons engaged and controlled by it to perform activities under this Agreement ("other personnel"). For the purpose of this Agreement, SEA shall include:
 - 1. Exchanging any money, goods, services, preferential treatment, job opportunities or other advantages for sexual favours or activities, including humiliating or degrading treatment of a sexual nature; abusing a position of vulnerability, differential power or trust for sexual purposes, and physical intrusion of a sexual nature whether by force or under unequal or coercive conditions;
 - 2. Engaging in sexual activity with a person under the age of 18 ("child"), except if the child is legally married to the concerned employee or other personnel and is over the age of majority or consent both in the child's country of citizenship and in the country of citizenship of the concerned employee or other personnel;
- b) Strongly discourage its employees or other personnel having sexual relationships with IOM beneficiaries;
- c) Report timely to IOM any allegations or suspicions of SEA, and investigate and take appropriate corrective measures, including imposing disciplinary measures on the person who has committed SEA;
- d) Ensure that the SEA provisions are included in all subcontracts;
- e) Adhere to above commitments at all times.

4.4 The Service Provider expressly acknowledges and agrees that breach by the Service Provider, or by any of the Service Provider's employees, contractors, subcontractors or agents, of any provision contained in Articles 4.1, 4.2 or 4.3 of this Agreement constitutes a material breach of this Agreement and shall entitle IOM to terminate this Agreement immediately on written notice without liability. In the event that IOM determines, whether through an investigation or otherwise, that such a breach has occurred then, in addition to its right to terminate the Agreement, IOM shall be entitled to recover from the Service Provider all losses suffered by IOM in connection with such breach.

5. Assignment and Subcontracting

- 5.1 The Service Provider shall not assign or subcontract the activities under this Agreement in whole or in part, unless agreed in writing in advance by IOM. Any subcontract entered into by the Service Provider without approval in writing by IOM may be cause for termination of the Agreement.
- 5.2 Notwithstanding such written approval from IOM, the Service Provider shall not be relieved of any liability or obligation under this Agreement nor shall it create any contractual relation between any subcontractor and IOM. The Service Provider shall include in an agreement with a subcontractor all provisions in this Agreement that are applicable to a subcontractor,

including relevant Warranties and Special Provisions. The Service Provider remains liable as a primary obligor under this Agreement, and it shall be directly responsible to IOM for any faulty performance under any subcontract. The subcontractor shall have no cause of action against IOM for any breach of the subcontract.

6. Delays, Defaults and Force Majeure

- 6.1 Time is of the essence in the performance of this Agreement. If the Service Provider fails to provide the Services within the times agreed to in the Agreement, IOM shall, without prejudice to other remedies under this Agreement, be entitled to deduct liquidated damages for delay. The amount of such liquidated damages shall be 0.1% of the value of the total Service Fee per day or part thereof up to a maximum of 10% of the Service Fee. IOM shall have the right to deduct such amount from the Service Provider's outstanding invoices, if any. Such liquidated damages shall only be applied when delay is caused solely by the default of the Service Provider. Acceptance of Services delivered late shall not be deemed a waiver of IOM's rights to hold the Service Provider liable for any loss and/or damage resulting therefrom, nor shall it act as a modification of the Service provider's obligation to perform further Services in accordance with the Agreement.
- 6.2 In case of failure by the Service Provider materially to perform under the terms and conditions of this Agreement, IOM may, after giving the Service Provider 30 days' written notice to perform and without prejudice to any other rights or remedies, terminate the Agreement with immediate effect without liability.
- 6.3 Neither Party will be liable for any delay in performing or failure to perform any of its obligations under this Agreement if such delay or failure is caused by force majeure, which means any unforeseeable and irresistible act of nature, any act of war (whether declared or not), invasion, revolution, insurrection, terrorism, blockade or embargo, strikes, Governmental or state restrictions, natural disaster, epidemic, public health crisis, and any other circumstances which are not caused by nor within the control of the affected Party.
- 6.4 As soon as possible after the occurrence of a force majeure event which impacts the ability of the affected Party to comply with its obligations under this Agreement, the affected Party will give notice and full details in writing to the other Party of the existence of the force majeure event and the likelihood of delay. On receipt of such notice, the unaffected Party shall take such action as it reasonably considers appropriate or necessary in the circumstances, including granting to the affected Party a reasonable extension of time in which to perform its obligations. During the period of force majeure, the affected Party shall take all reasonable steps to minimize damages and resume performance.
- 6.5 IOM shall be entitled without liability to suspend or terminate the Agreement if the Service Provider is unable to perform its obligations under the Agreement by reason of force majeure. In the event of such suspension or termination, the provisions of Article 17 (Termination) shall apply.

7. Independent Contractor

The Service Provider, its employees and other personnel as well as its subcontractors and their personnel, if any, shall perform all Services under this Agreement as an independent contractor and not as an employee or agent of IOM.

8. Audit

The Service Provider agrees to maintain financial records, supporting documents, statistical records and all other records relevant to the Services in accordance with generally accepted accounting principles to sufficiently substantiate all direct and indirect costs of whatever nature involving transactions related to the provision of Services under this Agreement. The Service Provider shall make all such records available to IOM or IOM's designated representative at all reasonable times until the expiration of 7 (seven) years from the date of final payment, for inspection, audit, or reproduction. On request, employees of the Service Provider shall be available for interview.

9. Confidentiality

- 9.1 All information which comes into the Service Provider's possession or knowledge in connection with this Agreement is to be treated as strictly confidential. The Service Provider shall not communicate such information to any third party without the prior written approval of IOM. The Service Provider shall comply with IOM Data Protection Principles in the event that it collects, receives, uses, transfers, stores or otherwise processes any personal data in the performance of this Agreement. These obligations shall survive the expiration or termination of this Agreement.
- 9.2 Notwithstanding the previous paragraph, IOM may disclose information related to this Agreement, such as the name of the Service Provider and the value of the Agreement, the title of the contract/project, nature and purpose of the contract/project, name and locality/address of the Service Provider and the amount of the contract/project to the extent as required by IOM's donors or in relation to IOM's commitment to any initiative for transparency and accountability of funding received by IOM in accordance with the policies, instructions and regulations of IOM.

10. Intellectual Property

All intellectual property and other proprietary rights including, but not limited to, patents, copyrights, trademarks, and ownership of data resulting from the performance of the Services shall be vested in IOM, including, without any limitation, the rights to use, reproduce, adapt, publish and distribute any item or part thereof.

11. Notices

12. Dispute Resolution

- 12.1. Any dispute, controversy or claim arising out of or in relation to this Agreement, or the breach, termination or invalidity thereof, shall be settled amicably by negotiation between the Parties.
- 12.2 In the event that the dispute, controversy or claim has not been resolved by negotiation within 3 (three) months of receipt of the notice from one party of the existence of such dispute, controversy or claim, either Party may request that the dispute, controversy or claim is resolved by conciliation by one conciliator in accordance with the UNCITRAL Conciliation Rules of 1980. Article 16 of the UNCITRAL Conciliation Rules does not apply.
- 12.3 In the event that such conciliation is unsuccessful, either Party may submit the dispute, controversy or claim to arbitration no later than 3 (three) months following the date of termination of conciliation proceedings as per Article 15 of the UNCITRAL Conciliation Rules. The arbitration will be carried out in accordance with the 2010 UNCITRAL arbitration rules as adopted in 2013. The number of arbitrators shall be one and the language of arbitral proceedings shall be English, unless otherwise agreed by the Parties in writing. The arbitral tribunal shall have no authority to award punitive damages. The arbitral award will be final and binding.
- 12.4 The present Agreement as well as the arbitration agreement above shall be governed by the terms of the present Agreement and supplemented by internationally accepted general principles of law for the issues not covered by the Agreement, to the exclusion of any single national system of law that would defer the Agreement to the laws of any given jurisdiction. Internationally accepted general principles of law shall be deemed to include the UNIDROIT Principles of International Commercial Contracts. Dispute resolution shall be pursued confidentially by both Parties. This Article survives the expiration or termination of the present Agreement.

13. Use of IOM Name, Abbreviation and Emblem

The Service Provider shall not be entitled to use the name, abbreviation or emblem of IOM without IOM's prior written authorisation. The Service Provider acknowledges that use of the IOM name, abbreviation and emblem is strictly reserved for the official purposes of IOM and protected from unauthorized use by Article 6ter of the Paris Convention for the Protection of Industrial Property, revised in Stockholm in 1967 (828 UNTS 305 (1972)).

14. Status of IOM

Nothing in or relating to the Agreement shall be deemed a waiver, express or implied, of any of the privileges and immunities of the International Organization for Migration as an intergovernmental organization.

15. Indemnity

The Service Provider shall at all times defend, indemnify, and hold harmless IOM, its officers, employees, and agents from and against all losses, costs, damages and expenses (including legal fees and costs), claims, suits, proceedings, demands and liabilities of any kind or nature to the extent arising out of or resulting from acts or omissions of the Service Provider or its employees, officers, agents or subcontractors, in the performance of this Agreement. IOM shall promptly notify the

Service Provider of any written claim, loss, or demand for which the Service Provider is responsible under this clause. This indemnity shall survive the expiration or termination of this Agreement.

16. Waiver

Failure by either Party to insist in any one or more instances on a strict performance of any of the provisions of this Agreement shall not constitute a waiver or relinquishment of the right to enforce the provisions of this Agreement in future instances, but this right shall continue and remain in full force and effect.

17. Termination

- 17.1 IOM may at any time suspend or terminate this Agreement, in whole or in part, with immediate effect, by providing written notice to the Service Provider, in any case where the mandate of IOM applicable to the performance of the Agreement or the funding of IOM applicable to the Agreement is reduced or terminated. In addition, IOM may suspend or terminate the Agreement upon **thirty (30)** days' written notice without having to provide any justification.
- 17.2 In the event of termination of this Agreement, IOM will only pay for the Services completed in accordance with this Agreement, unless otherwise agreed in writing by the Parties. The Service Provider shall return to IOM any amounts paid in advance within 7 (seven) days from the notice of termination.
- 17.3 In the event of any termination of the Agreement, upon receipt of notice of termination, the Service Provider shall take immediate steps to bring the performance of any obligations under the Agreement to a close in a prompt and orderly manner, and in doing so, reduce expenses to a minimum, place no further subcontracts or orders for materials, services, or facilities, and terminate all subcontracts or orders to the extent they relate to the portion of the Agreement. Upon termination, the Service Provider shall waive any claims for damages including loss of anticipated profits on account thereof.
- 17.4 In the event of suspension of this Agreement, IOM will specify the scope of activities and/or deliverables that shall be suspended in writing. All other rights and obligations of this Agreement shall remain applicable during the period of suspension. IOM will notify the Service Provider in writing when the suspension is lifted and may modify the completion date. The Service Provider shall not be entitled to claim or receive any Service Fee or costs incurred during the period of suspension of this Agreement.

18. Severability

If any part of this Agreement is found to be invalid or unenforceable, that part will be severed from this Agreement and the remainder of the Agreement shall remain in full force.

19. Entire Agreement

This Agreement embodies the entire agreement between the Parties and supersedes all prior agreements and understandings, if any, relating to the subject matter of this Agreement.

20. Final Clauses

- (j) a coercive practice, defined as impairing or harming, or threatening to impair or harm, directly or indirectly, any participant in the tender process to influence improperly its activities, or affect the execution of a contract;
- (k) an obstructive practice, defined as (i) deliberately destroying, falsifying, altering or concealing of evidence material to IOM investigations, or making false statements to IOM investigators in order to materially impede a duly authorized investigation into allegations of fraudulent, corrupt, collusive, coercive or unethical practices; and/or threatening, harassing or intimidating any party to prevent it from disclosing its knowledge of matters relevant to the investigation or from pursuing the investigation; or (ii) acts intended to materially impede the exercise of IOM's contractual rights of access to information;
- (l) any other unethical practice contrary to the principles of efficiency and economy, equal opportunity and open competition, transparency in the process and adequate documentation, highest ethical standards in all procurement activities.

4.3 The Service Provider further warrants that it shall:

- f) Take all appropriate measures to prohibit and prevent actual, attempted and threatened sexual exploitation and abuse ("SEA") by its employees or any other persons engaged and controlled by it to perform activities under this Agreement ("other personnel"). For the purpose of this Agreement, SEA shall include:
 - 3. Exchanging any money, goods, services, preferential treatment, job opportunities or other advantages for sexual favours or activities, including humiliating or degrading treatment of a sexual nature; abusing a position of vulnerability, differential power or trust for sexual purposes, and physical intrusion of a sexual nature whether by force or under unequal or coercive conditions;
 - 4. Engaging in sexual activity with a person under the age of 18 ("child"), except if the child is legally married to the concerned employee or other personnel and is over the age of majority or consent both in the child's country of citizenship and in the country of citizenship of the concerned employee or other personnel;
- g) Strongly discourage its employees or other personnel having sexual relationships with IOM beneficiaries;
- h) Report timely to IOM any allegations or suspicions of SEA, and investigate and take appropriate corrective measures, including imposing disciplinary measures on the person who has committed SEA;
- i) Ensure that the SEA provisions are included in all subcontracts;
- j) Adhere to above commitments at all times.

4.4 The Service Provider expressly acknowledges and agrees that breach by the Service Provider, or by any of the Service Provider's employees, contractors, subcontractors or agents, of any provision contained in Articles 4.1, 4.2 or 4.3 of this Agreement constitutes a material breach of this Agreement and shall entitle IOM to terminate this Agreement immediately on written notice without liability. In the event that IOM determines, whether through an investigation or otherwise, that such a breach has occurred then, in addition to its right to terminate the Agreement, IOM shall be

entitled to recover from the Service Provider all losses suffered by IOM in connection with such breach.

22. Assignment and Subcontracting

- 5.1 The Service Provider shall not assign or subcontract the activities under this Agreement in whole or in part, unless agreed in writing in advance by IOM. Any subcontract entered into by the Service Provider without approval in writing by IOM may be cause for termination of the Agreement.
- 5.2 Notwithstanding such written approval from IOM, the Service Provider shall not be relieved of any liability or obligation under this Agreement nor shall it create any contractual relation between any subcontractor and IOM. The Service Provider shall include in an agreement with a subcontractor all provisions in this Agreement that are applicable to a subcontractor, including relevant Warranties and Special Provisions. The Service Provider remains liable as a primary obligor under this Agreement, and it shall be directly responsible to IOM for any faulty performance under any subcontract. The subcontractor shall have no cause of action against IOM for any breach of the subcontract.

23. Delays, Defaults and Force Majeure

- 6.1 Time is of the essence in the performance of this Agreement. If the Service Provider fails to provide the Services within the times agreed to in the Agreement, IOM shall, without prejudice to other remedies under this Agreement, be entitled to deduct liquidated damages for delay. The amount of such liquidated damages shall be 0.1% of the value of the total Service Fee per day or part thereof up to a maximum of 10% of the Service Fee. IOM shall have the right to deduct such amount from the Service Provider's outstanding invoices, if any. Such liquidated damages shall only be applied when delay is caused solely by the default of the Service Provider. Acceptance of Services delivered late shall not be deemed a waiver of IOM's rights to hold the Service Provider liable for any loss and/or damage resulting therefrom, nor shall it act as a modification of the Service provider's obligation to perform further Services in accordance with the Agreement.
- 6.2 In case of failure by the Service Provider materially to perform under the terms and conditions of this Agreement, IOM may, after giving the Service Provider 30 days' written notice to perform and without prejudice to any other rights or remedies, terminate the Agreement with immediate effect without liability.
- 23.3 Neither Party will be liable for any delay in performing or failure to perform any of its obligations under this Agreement if such delay or failure is caused by force majeure,

which means any unforeseeable and irresistible act of nature, any act of war (whether declared or not), invasion, revolution, insurrection, terrorism, blockade or embargo, strikes, Governmental or state restrictions, natural disaster, epidemic, public health crisis, and any other circumstances which are not caused by nor within the control of the affected Party.

- 23.4 As soon as possible after the occurrence of a force majeure event which impacts the ability of the affected Party to comply with its obligations under this Agreement, the affected Party will give notice and full details in writing to the other Party of the existence of the force majeure event and the likelihood of delay. On receipt of such notice, the unaffected Party shall take such action as it reasonably considers appropriate or necessary in the circumstances, including granting to the affected Party a reasonable extension of time in which to perform its obligations. During the period of force majeure, the affected Party shall take all reasonable steps to minimize damages and resume performance.
- 23.5 IOM shall be entitled without liability to suspend or terminate the Agreement if the Service Provider is unable to perform its obligations under the Agreement by reason of force majeure. In the event of such suspension or termination, the provisions of Article 17 (Termination) shall apply.

24. Independent Contractor

The Service Provider, its employees and other personnel as well as its subcontractors and their personnel, if any, shall perform all Services under this Agreement as an independent contractor and not as an employee or agent of IOM.

25. Audit

The Service Provider agrees to maintain financial records, supporting documents, statistical records and all other records relevant to the Services in accordance with generally accepted accounting principles to sufficiently substantiate all direct and indirect costs of whatever nature involving transactions related to the provision of Services under this Agreement. The Service Provider shall make all such records available to IOM or IOM's designated representative at all reasonable times until the expiration of 7 (seven) years from the date of final payment, for inspection, audit, or reproduction. On request, employees of the Service Provider shall be available for interview.

26. Confidentiality

- 9.1 All information which comes into the Service Provider's possession or knowledge in connection with this Agreement is to be treated as strictly confidential. The Service Provider shall not communicate such information to any third party without the prior

written approval of IOM. The Service Provider shall comply with IOM Data Protection Principles in the event that it collects, receives, uses, transfers, stores or otherwise processes any personal data in the performance of this Agreement. These obligations shall survive the expiration or termination of this Agreement.

9.2 Notwithstanding the previous paragraph, IOM may disclose information related to this Agreement, such as the name of the Service Provider and the value of the Agreement, the title of the contract/project, nature and purpose of the contract/project, name and locality/address of the Service Provider and the amount of the contract/project to the extent as required by IOM's donors or in relation to IOM's commitment to any initiative for transparency and accountability of funding received by IOM in accordance with the policies, instructions and regulations of IOM.

27. Intellectual Property

All intellectual property and other proprietary rights including, but not limited to, patents, copyrights, trademarks, and ownership of data resulting from the performance of the Services shall be vested in IOM, including, without any limitation, the rights to use, reproduce, adapt, publish and distribute any item or part thereof.

28. Notices

29. Dispute Resolution

- 12.1. Any dispute, controversy or claim arising out of or in relation to this Agreement, or the breach, termination or invalidity thereof, shall be settled amicably by negotiation between the Parties.
- 12.2 In the event that the dispute, controversy or claim has not been resolved by negotiation within 3 (three) months of receipt of the notice from one party of the existence of such dispute, controversy or claim, either Party may request that the dispute, controversy or claim is resolved by conciliation by one conciliator in accordance with the UNCITRAL Conciliation Rules of 1980. Article 16 of the UNCITRAL Conciliation Rules does not apply.
- 12.3 In the event that such conciliation is unsuccessful, either Party may submit the dispute, controversy or claim to arbitration no later than 3 (three) months following the date of termination of conciliation proceedings as per Article 15 of the UNCITRAL Conciliation Rules. The arbitration will be carried out in accordance with the 2010 UNCITRAL arbitration rules as adopted in 2013. The number of arbitrators shall be one and the language of arbitral proceedings shall be English, unless otherwise agreed by the Parties in writing. The arbitral tribunal shall have no authority to award punitive damages. The arbitral award will be final and binding.
- 12.4 The present Agreement as well as the arbitration agreement above shall be governed by the terms of the present Agreement and supplemented by internationally accepted general principles of law for the issues not covered by the Agreement, to the exclusion of any single national system of law that would defer the Agreement to the laws of any given jurisdiction. Internationally accepted general principles of law shall be deemed to include the UNIDROIT Principles of International Commercial Contracts. Dispute resolution shall be pursued confidentially by both Parties. This Article survives the expiration or termination of the present Agreement.

30. Use of IOM Name, Abbreviation and Emblem

The Service Provider shall not be entitled to use the name, abbreviation or emblem of IOM without IOM's prior written authorisation. The Service Provider acknowledges that use of the IOM name, abbreviation and emblem is strictly reserved for the official purposes of IOM and protected from unauthorized use by Article 6^{ter} of the Paris Convention for the Protection of Industrial Property, revised in Stockholm in 1967 (828 UNTS 305 (1972)).

31. Status of IOM

Nothing in or relating to the Agreement shall be deemed a waiver, express or implied, of any of the privileges and immunities of the International Organization for Migration as an intergovernmental organization.

32. Indemnity

The Service Provider shall at all times defend, indemnify, and hold harmless IOM, its officers, employees, and agents from and against all losses, costs, damages and expenses (including legal fees and costs), claims, suits, proceedings, demands and liabilities of any kind or nature to the extent arising out of or resulting from acts or omissions of the Service Provider or its employees, officers, agents or subcontractors, in the performance of this Agreement. IOM shall promptly notify the Service Provider of any written claim, loss, or demand for which the Service Provider is responsible under this clause. This indemnity shall survive the expiration or termination of this Agreement.

33. Waiver

Failure by either Party to insist in any one or more instances on a strict performance of any of the provisions of this Agreement shall not constitute a waiver or relinquishment of the right to enforce the provisions of this Agreement in future instances, but this right shall continue and remain in full force and effect.

34. Termination

- 17.1 IOM may at any time suspend or terminate this Agreement, in whole or in part, with immediate effect, by providing written notice to the Service Provider, in any case where the mandate of IOM applicable to the performance of the Agreement or the funding of IOM applicable to the Agreement is reduced or terminated. In addition, IOM may suspend or terminate the Agreement upon **thirty (30)** days' written notice without having to provide any justification.
- 17.2 In the event of termination of this Agreement, IOM will only pay for the Services completed in accordance with this Agreement, unless otherwise agreed in writing by the Parties. The Service Provider shall return to IOM any amounts paid in advance within 7 (seven) days from the notice of termination.
- 17.3 In the event of any termination of the Agreement, upon receipt of notice of termination, the Service Provider shall take immediate steps to bring the performance of any obligations under the Agreement to a close in a prompt and orderly manner, and in doing so, reduce expenses to a minimum, place no further subcontracts or orders for materials, services, or facilities, and terminate all subcontracts or orders to the extent they relate to the portion of the Agreement. Upon termination, the Service Provider shall waive any claims for damages including loss of anticipated profits on account thereof.
- 17.4 In the event of suspension of this Agreement, IOM will specify the scope of activities and/or deliverables that shall be suspended in writing. All other rights and obligations of this Agreement shall remain applicable during the period of suspension. IOM will notify the

Service Provider in writing when the suspension is lifted and may modify the completion date. The Service Provider shall not be entitled to claim or receive any Service Fee or costs incurred during the period of suspension of this Agreement.

35. Severability

If any part of this Agreement is found to be invalid or unenforceable, that part will be severed from this Agreement and the remainder of the Agreement shall remain in full force.

36. Entire Agreement

This Agreement embodies the entire agreement between the Parties and supersedes all prior agreements and understandings, if any, relating to the subject matter of this Agreement.

37. Final Clauses

20.1 This Agreement will enter into force upon signature by both Parties. It will remain in force until completion of all obligations of the Parties under this Agreement unless terminated earlier in accordance with Article 17.

20.2 Amendments may be made by mutual agreement in writing between the Parties.

38. Special Provisions (Optional)

Due to the requirements of the donor financing the project, the Service Provider shall agree and accept the following provisions:
